

Curriculum Vita

ROSALIE J. ACKERMAN, Ph.D. **Clinical and Research Neuropsychologist** **Computer Consultant**

Home Address:

P.O. Box 13014
Akron, Ohio 44334-8414

Home Phone: (330)-861-0049

Office Address:

ABackans DCP, Inc.
Research & Development Department
1700 West Market Street, RD301
e-mail: Ackerman@abackans.com
Akron, Ohio 44313-7002
Business Website: <http://abackans.com>

Office Phone: (330)-745-4450
Fax: (330)-745-4450

Education:

- 1962 **B. S.** Food & Nutrition & Related Sciences,
Iowa State University, Ames, IA
National Science Foundation Grantee in Bacteriology
Minors: bacteriology, chemistry, mathematics, nutrition
- 1964 **M. S.** Biochemistry
Iowa State University, Ames, IA
Thesis: *Biochemical changes in testicular lipids, DNA, and RNA
in the hypophysectomised male rat*
Specialty areas: endocrinology functioning, sexual hormonal dynamics,
nucleic acids impact, and lipid and phospholipid metabolism
- 1982 Clinical Psychology Internship (APA approved),
University of Nebraska Medical Center & Nebraska, Psychiatric Institute — Omaha, NE
Specialty areas: neuropsychological assessments, geroneuropsychology,
pediatric neuropsychology, geropsychology, and adult development
- 1983 **Ph.D.** Psychology (APA approved),
Iowa State University, Ames, IA
Dissertation: *Career-changing behaviors of women in the middle years:
Internal, environmental, and interactional approaches*
Specialty areas: adult development, family therapy, psycho-pharmacology, women's issues

Licenser and Certification:

- Professional Psychologist Level: North Carolina, Pennsylvania, Ohio 1984 — Present
Health Service Psychology Provider: # 1174 North Carolina;
Professional Psychologist Level: PA-004987-PL Pennsylvania
Professional Psychologist Level: P-3973 Ohio
- National Registry of Providers in Practicing Psychology 1988 — 1999
Certified Apple Computer™ Software Developer
- Biofeedback Certification Institute of America—Clinical Certification 1990 — 1995
American Association of Marriage and Family Therapists—Clinical Level 1978 — 1995

Employment History:**ABackans Diversified Computer Processing, Inc.**

1981 — Present

Positions:

Clinical and Research Neuropsychologist
 President
 Computer Programmer and Consultant
 Web Designer, Data Manager, Layout Designer
 Certified Apple Computer Software Developer

Setting:

Research and Development Department
 Private research and education company
 Medical research

Job Duties:

Administrative Business:
 Budget development and management
 Consultation
 Equipment selection, installation, and operations
 Financial operations
 Software and hardware evaluations
 Staff selection, evaluation, and development
 Grant writing
 Neuropsychological development for culturally relevant materials for people with disabilities:
 Product developments of neuropsychological assessment and rehabilitation tests:
Ackerman-Banks Neuropsychological Rehabilitation Battery® (ABNRB), updated 2006

 Psychological Testing
 Advanced Psychological Testing
 Psycho-Neurological Testing (Neuropsychological Assessment)
 Advanced Neuropsychological Testing (new course and designer)
 Systems of Psychotherapy
 Faculty member of comprehensive examinations and Dissertation Committees
 Mentor/chair of Clinical Psychology, Harold Abel School of Psychology (HASOP)
 Committee member for students in other psychology schools

Ackerman Rehabilitation Neuropsychological Services

1988 — 1995

Positions:

Clinical Neuropsychologist, Solo Owner

Job Duties: Neuropsychological assessment and rehabilitation treatment and pain management for people with disabilities
 Consultation for attorneys, physicians, and psychologists
 Competency evaluations: legal, psychiatric, and neurological impairments
 Forensic evaluations
 Court Depositions and Testimony
 Family Neuropsychological Therapy
 Rehabilitation neuropsychological treatment
 Evaluation and education about girls' and women's issues after violence trauma injury

Timken Mercy Medical Center, Canton, OH

1992 — 1995

Positions:

Clinical Neuropsychologist
 Coordinator of Psychological and Neuropsychological Services
 Director of Pain Management and Biofeedback Clinic

Job Duties:

Neuropsychological evaluations of ages 5 to 90 from physician referrals
 Psychological evaluations of ages 5 to 90 from physician and allied health professional referrals
 Group psychotherapy of psychiatric adults, children, and adolescents
 Competency evaluations for adolescents, middle aged and geriatric patients
 Court Depositions for adolescents, middle aged and geriatric patients
 Program development for inpatient psychiatric and medical patients:
 day hospital program for middle aged psychiatric patients
 geriatric program for Alzheimer's Type Senile Dementia and other dementia
 Program development for outpatient pain management clinic and biofeedback services for:
 incontinent bowel and bladder training problem
 cancer pain reduction program
 attention deficit disorders in children and adults with neurobiofeedback
 epileptic control with neurobiofeedback and traditional biofeedback
 domestic violence victims, especially women's issues
 brain injured patients treated with neurobiofeedback and biofeedback

Timken Mercy Medical Center, Canton, OH (continued)

Budget planning for psychological and neuropsychological programs
 Financial analysis of revenues and operating budget for programming
 Hiring of new staff
 Supervision of staff
 Supervision of undergraduate psychology student

Member of Committees:

Psychology Department Strategic Planning
 Psychiatry Department Strategic Planning
 Center for Wellness and Rehabilitation Medicine
 Geropsychiatry Strategic Planning
 Multidisciplinary Staff Planning for Adult Psychiatry
 Multidisciplinary Staff Planning for Preadolescent/Adolescent Psychiatry
 Task Force on Feasibility for Pain Management Center
 Critical Pathways Development for Psychiatric Inpatients
 Pain Management Clinic Development
 Restraint Prevention Committee

Biofeedback Equipment Purchasing (Capital budget item)

Research projects

Millon Adolescent Personality Inventory (MAPI) Normative Data
 MAPI Diagnostic Reliability of the Interpretation Program with Clinical Psychologist Diagnoses
 Personality Measurements and Neurological Injury: Writing an Accurate Account from a
 Neuropsychological Perspective
 Development of Psychiatric Adolescent version of *Ackerman-Banks
 Neuropsychological Rehabilitation Battery*®
 Replication Sample of Psychiatric Adult and Geropsychiatric version of
Ackerman-Banks Neuropsychological Rehabilitation Battery®

Mount Carmel Medical Center, Columbus, OH

1988 — 1992

Positions:

Clinical Rehabilitation Neuropsychologist
 Department Head of Psychological and Neuropsychological Services
 Director of Biofeedback and Pain Management Clinic

Job Duties:

Initiated and supervised staff in Departments of Rehabilitation Neuropsychology and Biofeedback
 Neuropsychological assessments of Acute Inpatients on Rehabilitation Unit
 Treatment team consultation for inpatients on Rehabilitation Unit
 Biofeedback treatment of neurologically impaired patients
 Psychotherapy with patients and family members
 Family neuropsychological therapy, especially issues of women
 Budget, revenue, and fiscal management of two cost centers
 Capital budget items -- biofeedback instrumentation
 Multidisciplinary staff planning for Rehabilitation Services
 Public presentations on three city television news features about biofeedback
 Initiated services biofeedback continence training for bladder and bowel dysfunctions
 including women
 Neuropsychological service for women who were domestic violence victims
 Research projects with A-BNRB

Nittany Valley Rehabilitation Hospital, Bellefonte, PA 1985 — 1988

Positions:

Clinical Rehabilitation Neuropsychologist
 Director of Neuropsychological Services 1985 — 1988
 Department Head of Psychology & Neuropsychology Services 1987 — 1988

Job Duties:

Initiated Departments of Rehabilitation Neuropsychology and Biofeedback
 Neuropsychological assessments of Post-Acute inpatients and outpatients on Rehabilitation Unit
 Treatment team consultation for inpatients & outpatients
 Biofeedback treatment of neurologically impaired patients
 Psychotherapy with patients and family members
 Family neuropsychological therapy with special emphasis on needs of women
 Supervision of graduate students at Pennsylvania State University for clinical clerkships in
 neuropsychology and rehabilitation neuropsychology
 Capital budget items -- biofeedback instruments, neuropsychological batteries
 Multidisciplinary staff planning for Rehabilitation Services
 Consultation for physicians, psychologists, and allied health professionals
 Research Programs:
 Original Sample of Neurologically impaired young and middle aged and geriatric adults in Post-Acute
 Care Rehabilitation Programs
 Replication Sample of Neurologically impaired young and middle aged and geriatric adults
 in Post-Acute Care Rehabilitation Programs

The Pennsylvania State University at University Park, PA 1985 — 1988

Positions:

Clinical Assistant Professor
 Family Therapy Supervisor of Psychological Clinic
 Faculty for Undergraduate and Graduate Students

Job Duties:

Initiated Family Therapy Clinical Service group at Psychological Clinic
 Taught principles of family therapy and rehabilitation psychology
 Clinical supervisor for neuropsychological assessments of graduate students
 Clinical advisor to honors undergraduate students

University of North Carolina at Chapel Hill, NC 1982 — 1985

Position:

Clinical Assistant Professor
 Graduate Faculty Appointment

Job Duties: Initiated Neuropsychology and Geroneuropsychology

Taught neuropsychology assessment, biological psychology, aging and human development,
 Psychopharmacology, geriatric neuropsychology
 Member of research team on neurotoxins and attention processing
 Clinical advisor to honors undergraduate students
 Clinical faculty for graduate student selection and annual evaluations
 Research program:
 Emerging Faculty Professional Grant Study:
 Behavioral, neuropsychological, and biochemical correlates of agitated and vegetative
 depressed inpatients

John Umstead Hospital, Butner, NC

1982 — 1985

Positions:

Clinical Neuropsychologist and Geropsychologist
 Chief Psychologist of Psychological and Neuropsychological Services on Geropsychiatry Unit

Job Duties:

Initiated Neuropsychology and Geroneuropsychology services
 Supervision of graduate students from University North Carolina at Chapel Hill and Wilmington,
 North Carolina Central University, and Duke University for clinical clerkships in geropsychology,
 neuropsychology, and rehabilitation neuropsychology
 development of geropsychology program
 development of neuropsychological rehabilitation program
 neuropsychological evaluations
 treatment plan development
 consultation to medical staff, psychology staff, and psychology interns
 supervision of clinical psychology pre-doctoral interns
 psychological evaluations
 family psychotherapy
 individual psychotherapy
 group psychotherapy
 neuropsychological rehabilitation
 grand rounds presentations on women's issues
 research programs on inpatient populations:
 behavior modification of very old chronic schizophrenic inpatients
 behavioral and biochemical correlates of agitated, vegetative depressed inpatients
 sociocultural influences on psychiatric diagnostic labels of geropsychiatric patients
 stress and burnout symptoms among women staff working with psychiatric patients

University of Nebraska Medical Center and Nebraska Psychiatric Institute, Omaha, NE

1981 — 1982

Position: Clinical Psychology Intern

(Full time position: 2000 hrs)

neuropsychological assessment specialty (APA-approved)
 neuropsychological evaluations of pediatric, middle, and geriatric inpatients and outpatients
 neuropsychological evaluations for forensic patients with exposure and neurological injury from
 neurotoxins, toxic chemical exposures
 pedophiles, hypoxia (strokes, carbon monoxide poisoning), illicit drug overdoses
 failure to thrive
 multidisciplinary treatment plan development
 consultation to medical staff, psychology staff, and psychology interns
 supervision of psychology pre-doctoral interns
 psychological evaluations
 family psychotherapy, especially women's issues
 individual psychotherapy

Iowa State University, Ames, IA

Women and Microcomputers
APA-approved Category I continuing education for psychologists,
Sponsored by Division of Psychology of Women
- American Psychological Association, Division of Clinical Neuropsychology Program August 1987
Neuropsychological Rehabilitation: Abbreviation of the Luria-Nebraska Neuropsychological Battery® — Form II
- Pennsylvania State University, University Park, PA March 1987
Referral Questions for the Neuropsychologist by Rehabilitation Case Manager
Invited Lecture for the Interdisciplinary Colloquium Series for Counseling, Educational, and Rehabilitation Psychology
- Association for Women in Psychology March 1987
Women and Microcomputers
- Nittany Valley Rehabilitation Hospital 1985—1988
The Role of the Neuropsychologist on the Rehabilitation Treatment Team
Continuing education lectures for allied health professionals
- Indiana University, Indiana, PA April 1986
Getting Along with Grandma and Grandpa
Sponsored by Psi Chi and Department of Psychology
Invited Lecture Interdisciplinary Colloquium Series: Human Relations, Gerontology, Family Therapy, Psychology
- Pennsylvania State University, University Park, PA March 1986
The Role of the Neuropsychologist on the Rehabilitation Hospital
Sponsored by the Department of Clinical Psychology
Invited Lecture for the Neuropsychology Lecture Series Graduate Majors
- American Psychological Association August 1985
Family Psychotherapy for the Elderly
Continuing education (APA-approved) for psychologists
- American Psychological Association August 1985
Advanced Microcomputer Applications in Psychology
APA-approved Category I continuing education workshop for psychologists
Sponsored by Division of Psychology of Women
- Groves Conference on Marriage and the Family May 1985
Microcomputer Applications for the Mental Health Professional and to Relieve Anxiety of the Computer User
APA-approved Category I continuing education workshop for family therapists,
AAMFT-approved Category I continuing education
- North Carolina Conference: Interventions to Assist Blind and Deaf Patients April 1985
Psychological and Neuropsychological Aspects of Physically Handicapped Clients
Continuing education for allied health professionals
- East Carolina University, Greenville, NC March 1985
Brain-behavior Relationships of the Aging Person: Are the Elderly, Sick, Dumb, and Eccentric
Invited Lecture for the Interdisciplinary Colloquium Series: Gerontology, Family Therapy, and Psychology
- University of North Carolina at Wilmington, NC July 1984
Institutionalization and Death and Dying Issues
Invited Lecture for Psychology Undergraduate & Graduate Majors
- Greenville, N. C. Mental Health Regional Meetings October 1984
Family Psychotherapy and Assessment in Geriatrics
Continuing education for mental health professionals

- American Psychological Association August 1984
Microcomputer Applications for the Anxious User
 APA-approved Category I continuing education workshop for psychologists
 Sponsored by Division of Psychology of Women
- Alternatives for the 80's in Research, Action & Theory May 1984
Microcomputer Services for Psychologists by Psychologists
 APA-approved Category I continuing education workshop for psychologists
 Sponsored by Division of Psychology of Women
- John Umstead Hospital, Butner, NC 1982 — 1985
Neuropsychological Evaluations of the Geropsychiatric Patient
 Weekly Ground Rounds Series
Neuropsychological and Psychological Concerns when dealing with Spirituality with Geropsychiatric Patients
 Monthly Series for Divinity and Pastoral Interns
Geroneuropsychological Issues in Psychiatric Patients
Assertiveness Training (8 weeks workshop)
Combating Stress and Professional Burnout (6 week workshop)
Role of the Neuropsychologist on the Multidisciplinary Team
Grand Rounds Lecture: Neuropsychological Assessment for Psychiatric Patients October 1984
Grand Rounds Lecture: Midlife Crisis or Transition February 1983
 Continuing Education for physicians and allied mental health professionals
- American Psychological Association, Division of Psychology of Women Program August 1983
Women Prisoners: Reintegration Into Family and Community
- First Christian Church (Omaha, NE) 1982
Parenting Teenagers: Complications of Adolescent Suicides
 Invited Series: Eight week series of workshops for parents of adolescents
- Iowa Commission on the Status of Women July 1981
Return to Community: A Career Change
 Workshop for women prisoners scheduled for release from the state penitentiary
- First Christian Church (Ames, Crestwood, Ankeny, Iowa) 1976-1978
Family Clusters: Getting Along with Others
- American Chemistry Society 1966- 1970
 Variety of presentations at annual conferences with collaborators; see Publications section
- Biochemistry Big Eight Conferences 1963-1973
- Variety of biochemistry presentations at conference with collaborators; see Publications section 1967-1974
